NET CONTENTS: 12 OZ. (340g)

# AVENGER® INSECT KILLER

## DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Shake well before using.** This product is a contact spray and will not prevent reinfestation of any treated pest in any treated area. Insects must be contacted by spray in order to ensure 100% mortality.

**For Crawling Insects: Crack/Crevice and Void Treatments:** Important - use the injector nozzle tip provided. To kill ants (including southern fire ants, carpenter ants, and nuisance ants including Argentine, thief, trife black, big-headed, pavement, leafcutter, odorous house, velvety nest, pyramid, field, crazy, carnifid and large yellow ants), bedbugs, cat fleas, brown dog ticks, cockroaches (including American cockroaches and German cockroaches), spiders (including cellar spiders and wolf spiders), European earwigs, carpet beetle larvae, field crickets, silverfish, and occasional invaders (including centipedes, millipedes, crickets, earwigs, pillbugs, sow bugs and lady beetles), inject into all crack/crevice and void spaces where insects are present. Applications can be made, but are not limited to, behind baseboards, cabinets, walls, ceilings, around doors and window frames, behind and under refrigerators, cabinets, sinks and stoves, and around water pipes and appliances. Insects contacted by spray will be killed. Ensure contact with as many insects as possible. Do not apply to any surface where food is prepared or served. **Fire ants & carpenter ants:** This product will not kill ant queens or ant colonies. **Fleas & Brown Dog Ticks:** Hold can approximately 12 inches (30 centimeters) above surface area and apply uniformly to infested areas such as carpets, rugs, cloth upholstery and pet bedding. Contact fleas & ticks directly to kill these pests. **For Pantry Pest Treatments:** Use this product to kill pantry pests (including beetles, moths, mites and weevils). Non-food use only. Do not use in commercial food/food handling establishments, restaurants, or other places where food/feed is commercially prepared, processed or stored. Limit treatments to residential food storage areas. Do not use on food preparation surfaces. Apply only as a crack/crevice treatment or as a spray to the cracks, corners and surfaces of pantry shelves. Remove all foodstuffs, utensils and shelf paper from area to be treated. Discard used shelf paper. Apply spray to shelves and in cracks and crevices behind and under cupboards and cabinets. Avoid treated surfaces to dry and cover shelves with clean paper before replacing any utensils, foodstuffs or other items. Any foodstuff accidentally contaminated with treatment solution should be destroyed.

**For Flying Insect Treatments:** To kill house flies and southern house mosquitoes, aim spray toward flying insect infestations contacting as many insects as possible. Insects contacted by spray will be killed. Wipe away excess spray after application. Avoid spraying plants.

**For Bedbug Treatments:** Remove bedding materials. Take bed apart and treat cracks, joints and interior of framework. Treat mattresses and box springs; especially around tufts, folds, seams and edges. Treat baseboards, moldings, floors, and all cracks and crevices in the room. Let spray dry before putting bedding materials back on. Repeat treatment as necessary.

## STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**Storage:** Store in a cool, dry area away from heat or open flame.

**Pesticide Disposal:** Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

**Container Disposal:** Do not puncture or incinerate! Reuse/Recycle container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

## PRECAUTIONARY STATEMENTS - Hazards to Humans & Domestic Animals

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wear safety glasses, safety goggles, or face shield. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

**Physical or Chemical Hazards:** Flammable. Contents under pressure. Keep away from fire, sparks and heated surfaces.

Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

**Environmental Hazards:** For terrestrial uses: Do not apply to water, or to areas where surface water is present or to inertial areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters or rinsate.

## FIRST AID

- |                    |   |
|--------------------|---|
| <b>If in eyes:</b> | <ul style="list-style-type: none"> <li>Hold eye open and rinse slowly and gently with water for 15 - 20 minutes.</li> <li>Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> <li>Call a poison control center or doctor for treatment advice.</li> </ul> |
|--------------------|---|

## HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-525-5053 (InfoTrac Chemical Response System) anytime for emergency medical treatment information.

## NOTE TO PHYSICIAN
